BRIDE GUIDE
2025/26

HELLO!

If you're reading this, you're probably somewhere between being ridiculously excited and realising there are a lot of things to organise before the big day. So let me take one thing off your plate.

I want your wedding morning to feel fun, relaxed and full of those little moments you'll remember forever and not like you're watching the clock and wondering if everyone is going to be ready on time. I want you to feel completely looked after from the moment we start planning your look to the moment you leave for your ceremony.

Your bridal makeup should still feel like you, just the most polished, glowy, confident version of you. Your trial is where we get to play around with your look, chat through what you love (and what you definitely don't!) and make sure we have everything just right before the big day. Then, when your wedding morning arrives, you can sit back, relax and let me take care of the rest.

And honestly? I want you to enjoy getting ready. Have the champagne. Put on your playlist. Laugh with your girls. Take the photos. Soak it all in. I'll take care of the makeup.

My hope is to be part of your morning and help you feel absolutely incredible when you finally get to put on that dress.

Welcome to Nova Bridal.

Let's make you feel like the bride you've always imagined yourself being.

THE NOVA EXPERIENCE

WHAT HAPPENS AFTER YOU BOOK?

Your makeup is tailored to your features, preferences and wedding vision. We discuss what you want to achieve and how you want to feel on the day. We book your trial next.

WHY IS A TRIAL IMPORTANT?

Your bridal trial isn't just a test run.

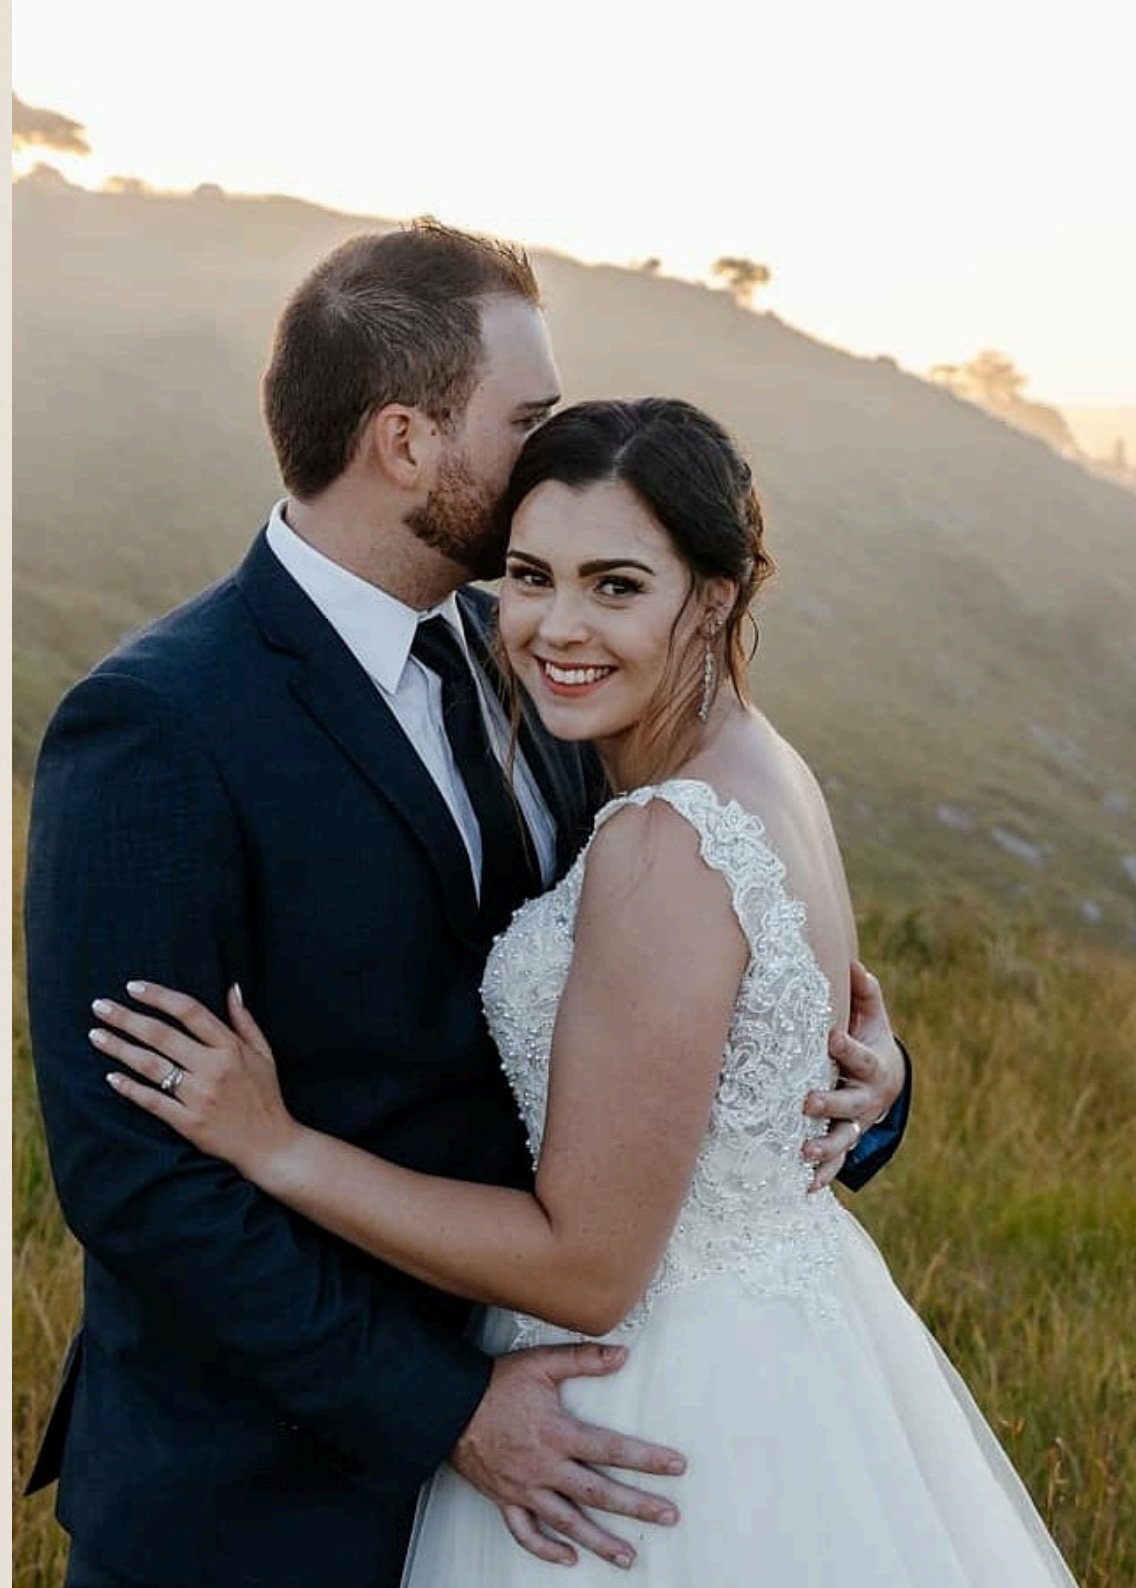

It's where we work together to create the exact look you want, tweak the details until you're completely happy and make sure everything is perfect before your wedding morning.

THE WEDDING DAY SCHEDULE

We work behind the scenes to create your wedding-day schedule. It is planned ahead so you know exactly what to expect on the day so there's no surprises.

THE BIG DAY

The goal isn't to cover you up. It's to make you feel like the most beautiful version of yourself. You can sit back and relax, knowing we got you.
